****OPEN HOUSE SUNDAY 1-3PM**** Welcome to your freshly painted, cleaned, and meticulously maintained home in the heart of New Brighton—one of Calgary’s most family-friendly neighborhoods. With over 1,300 sq ft of bright, open living space, this home offers the perfect blend of comfort, style, and future potential.

The moment you step into the foyer, you’re greeted by a warm and inviting atmosphere, with new paint and sparkling clean finishes that make the home feel brand new. Just beyond, the open-concept great room is flooded with natural light—an ideal space to relax, watch a movie, or entertain guests.

Centrally located, the kitchen offers a seamless connection to both the great room and dining nook. With newer sleek stainless appliances, mocha slab door cabinetry, and a large island with seating, it’s designed for both function and flow. Whether you’re prepping meals or catching up with friends over coffee, this space delivers.

A Bright Dining Nook sits just off the kitchen, overlooking the backyard—perfect for everyday meals or weekend brunches with the family

Head upstairs to find 3 spacious bedrooms, including a generous primary suite with its own private 4-piece ensuite bathroom and a large walk-in closet. The two additional bedrooms are perfect for kids, guests, or a home office, and they share a well-appointed main

bathroom.

The unfinished basement offers tons of future potential. With a bathroom rough-in already in place, youâ€™ve got a head start on adding a rumpus room, gym, guest suite, or play spaceâ€”whatever suits your lifestyle.

Step out to the private backyard where you'll find a deck perfect for BBQs, a stamped concrete walkway, and just enough yard space for pets, play, or relaxing in the sun. Tucked at the back is your oversized double garage, an impressive 25' deep, complete with 220V wiring and multiple extra outletsâ€”ideal for a workshop, storage, or hobbyistâ€™s dream space.
